Stuart digs deep into a file and analyzes it from all sides before recommending an advantageous solution for his clients.

Stuart serves as both litigator and general counsel to his clients, which include lenders, business owners, and individuals. His matters include defensive as well as plaintiff litigation, in all facets of consumer and commercial banking, asset recovery, business law, and real property in both federal and Michigan state courts. He also practices in real estate default, handling complex legal foreclosure and title issues, as well as state law foreclosure compliance.

With a wealth of federal and state court experience, Stuart has developed an excellent rapport with judges and other court personnel. His confidence and ability to negotiate has allowed him to obtain favorable results in cases involving real estate, federal and Michigan Fair Debt Collection defense, Michigan Lemon Law defense, landlord-tenant, real estate brokerage, and probate matters. He is always up for a challenge and enjoys “putting out fires” for his clients, so they can tend to their typical day-to-day activities.

Stuart has been practicing law for over 30 years. During that time he has been Martindale-Hubbell AV® Preeminent™ Rated, its highest available rating for legal ability and professional ethics. He was also named Top Lawyer by DBusiness Magazine, 2010, and was selected for inclusion in the Michigan Super Lawyers List, 2011-2012, 2017-2021.
